

31st July 2008

To Whom it May Concern,

Dear Sir,

SALE BY MIMOS BERHAD OF ITS IVEST BUSINESS UNIT

We refer to the above matter.

Kindly be informed that MIMOS has by way of a Sale and Purchase Agreement dated 5th June 2008 sold its iVEST business unit to Digicert Sdn Bhd ("Digicert").

Pursuant to the said sale, Digicert has acquired the entire right, title and interest in the iVEST business unit which would include all iVEST products and services (hereinafter collectively referred to as "the iVEST Business Unit"). Consequently, Digicert has undertaken all the obligations and responsibilities in relation to the iVEST Business Unit effective 31st July, 2008.

We hope that the excellent business and working relationship that has been established between yourselves and MIMOS in relation to the iVEST Business Unit will continue with Digicert.

We assure you that we, together with Digicert, will endeavour to transition the iVEST working relationship as smoothly as possible with minimum business disruption to yourselves.

We trust that the above states the matter sufficiently for any action that you may have to take internally.

If you have any enquiries please contact Mr. Ramesh Nadarajah at +603-89955095 or at ramesh@mimos.my.

Yours faithfully,

For and on behalf of
MIMOS Berhad

Dato' Abdul Wahab Abdullah
President & Chief Executive Officer
